

*2023 Aratas 'Napa Valley' Sauvignon Blanc*

A delightful blend of Sauvignon Blanc from two distinct vineyards: our original vineyard deeply rooted in complex alluvial soils on the valley floor in the District of Oak Knoll AVA and the other is grown in the cool Diablo soil surrounding our winery in the Los Carneros AVA of Napa Valley

100% Sauvignon Blanc

Hand harvested Sept 19, 2023

Co-fermented 6 months sur lie in neutral French oak barrels. Bottled March 14, 2024

Tasting Impressions: "This is a highly aromatic wine with lively acidity and impressions of white peach, dried pineapple, wet rock, green tea with a glimpse of gooseberry. This aromatic wine exhibits a springy but non-abrasive acidity and medium bodyweight."
